**Special opportunity**

If you need bred replacements this fall, these are the best we produce. We keep no hybrid females on the ranch, so you get to purchase **our very best** each year. Well bred, consistent uniform half sisters, from two purebred parents. **True F-1 crossbreds** from our purebred cows and Fleckvieh Simmental and Gelbvieh bulls, the sisters to our industry leading hybrid bulls. Red and Black Angus X Simmental **SUPER BALDIES** Red and Black Angus X Gelbvieh **SUPER GUPIES** and Hereford X Simmental **H2'S**. Years of selection and reputation genetics. Call me to visit anytime. We'll **organize all your shipping** as well, it's a "hassle free" way to own the **best crossbred genetics** in the Country. You can buy "put together" heifers anywhere. These are unique **ONE IRON** genetics.

**200**  
BRED COWS

200 bred purebred red and black angus cows will sell. Bred to industry leading Fleck Semi Bulls. Premium calf buyback options available. Talk to Mac. Photos/videos on our website in November.
